

October 13, 2010

To the Board of Trustees of the Town of Frederick:

We would like to formally offer the compromise of moving the wire that is located on the north fence line adjacent to the Carbon Valley Academy to the inside of the fence. It was suggested at the Neighborhood Meeting that such a measure would mitigate the safety concerns that the school had in regards to the barbed wire.

Should the board permit our waiver and desire that we take this measure, we will promptly comply.

Respectfully,

Handwritten signatures of Todd and Kristen Stanton. The signature on the left is a stylized 'T' with a horizontal line extending to the right. The signature on the right is a cursive signature, likely 'Kristen'.
